

THE GOAL OF ZIONISM

JOHN S. TORELL

We are now into President Trump's second year and the cacophonous noise level from the democrats and the left wing media is starting to become unbearable.

This week a story came out that White House Staff Secretary Rob Porter had resigned over alleged wife abuse. He has been married twice and both of his ex-wives accused him of domestic violence. Porter resigned the same day the story was released in the media.

This became "breaking news" on all the different television networks and commentators were brought in to discuss the latest "Trump scandal." Salivating reporters hounded Sarah Huckabee Sanders at the daily White House briefing wanting to know if the president knew about the domestic violence and why he hired Porter. Commentators from the different networks talked about this supposed crisis for the White House and how President Trump is not fit to be president.

Common sense would indicate that President Trump did not sit down and personally interview Rob Porter, but it was a task that was handled by his staff. When a person applies for a job, there are no laws stating you must share details about your marriage and whether there have been any fights. The mainstream media is derelict in remembering there is a right to privacy. Porter for obvious reasons, did not disclose any details about his two failed marriages, rather, he was hired because of his office skills.

Fake news has now gotten to the point that if the White House staff forgets to let the dog out to

relieve himself, it will be reported as animal cruelty which needs to be investigated by the FBI and the Humane Society, providing yet "further proof" that President Trump has failed once again as president. It is important to remember that the outcry from the mainstream media stems from an event that happened in 1897.

WORLD ZIONIST ORGANIZATION

Theodore Herzl organized the first World Zionist Congress in Basel, Switzerland in 1897. It was a three day event from August 29-31 and was attended by 208 Jewish delegates from 17 nations in Europe, Asia, North and South America. According to official Zionist records, there were 26 newspaper journalists covering the congress. In addition, there were also ten Christians invited because of their strong support for a Jewish homeland in Palestine and later they would become the instigators of the Christian Zionist movement.

All delegates wore formal dress with tail coats and white ties at the onset of the congress. There were open meetings which the media and ten Christians were allowed to attend, and then there were closed meetings where a plan was established to secure Palestine and re-establish Israel as a political state.

Herzl had long schemed to establish the State of Israel and achieve world dominance for the Jews over time. He presented his platform during the closed meetings and it was accepted. These 24 points would become the official doctrine of the World Zionist movement. The Zionist platform

became known as “The Protocols of the Learned Elders of Zion.”

In 1896 he had published a book, “Der Judenstaat” (The Jewish State), which contained a similar style of language as the protocols. It is important to note that Adam Weishaupt, the founder of the Illuminati, had also outlined similar ideas to achieve world control and there were many Jewish writings dating back hundreds of years where these same thoughts had been presented.

Herzl advocated that it was necessary to sacrifice whole branches of Jewish people if they did not want to comply with Zionism in order to establish a Jewish state in Palestine. This came into being during World War II when the Zionist leadership in Europe worked with Nazi Germany to create so much death and destruction that Jews would flock to Palestine and seek refuge. This was pointed out in the explosive book titled, “The Transfer Agreement” by Edwin Black, who is himself a Jew that identifies with Zionism, but wanted to know the truth about the rumors that existed since 1933.¹ According to Jewish historical records, the majority of Jews in 1897 did not like the idea of establishing a homeland in Palestine and they were fiercely opposed to the Zionist program propagated by Herzl. Most Jewish opposition to Zionism ended in 1945 with the revelation of Nazi concentration camps and the mass killing of Jews.

The existence of the protocols became public knowledge in Paris, France after the conference in 1897 and news about it was circulated among Jews opposed to Zionism. The official language at the congress was German, but the protocols were translated into other languages and a copy of a Russian translation ended up in the possession of Sergei Nilus (1862-1929), who had graduated as an attorney from the University of Moscow. Later in his life he became deeply involved with the Russian Orthodox Church and was considered a

mystic. He wrote a number of books, including one about the coming Antichrist which was published in 1902. Someone handed him a copy of the protocols, and in a new edition, the protocols became the twelfth chapter in the version that was published in 1905.

A copy of Nilus’ book in Russian was placed in the British Museum on 1905.

Victor E. Marsden (1866-1920) was a British journalist and translator that worked for the conservative London daily newspaper, “The Morning Post.” He was assigned to work as a correspondent and lived and reported from Russia. When Nilus published the protocols in 1905, Marsden became aware of the protocols. He was imprisoned and held for some time by the Communist butchers Lenin and Stalin during the 1917 Bolshevik revolution in Russia. He was released and returned to England due to pressure from the British government, where he began to translate the protocols from Russian into English. A copy of Marsden’s translation was placed in the British Museum in 1923.

THE GOAL OF THE ZIONISTS

The goal of the Zionists is clearly revealed in the last protocol:

...The king of the Jews must not be at the mercy of his passions, and especially of sensuality: on no side of his character must he give brute instincts power over his mind. Sensuality worse than all else disorganizes the capacities of the mind and clearness of views, distracting the thoughts to the worst and most brutal side of human activity.

The prop of humanity in the person of the supreme lord of all the world of the holy seed of David must sacrifice to his people all personal inclinations...

¹ “The Transfer Agreement,” Edwin Black, Dialog Press, 1984

...Our supreme lord must be of an exemplary irreproachability...

The Zionist effort of establishing the political state of Israel was accomplished in 1948. The next goal was to plunge the world into such chaos that the nations of the world would cry out for a strong man to save them. The Zionists having created a problem would be more than happy to provide a solution in the form of a man they call “the king of the Jews.” The solution would come with a price as this evil man will be a world dictator, ruling the gentile nations with cruelty and forcing the “goyim” to serve their Jewish masters.² Compare this with what God spoke to Daniel about the man known in the New Testament as the Man of Sin, Son of Perdition, the Beast, and the Antichrist.

“And the king shall do according to his will; and he shall exalt himself, and magnify himself above every god, and shall speak marvellous things against the God of gods, and shall prosper till the indignation be accomplished: for that that is determined shall be done.

Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all.

But in his estate shall he honour the God of forces: and a god whom his fathers knew not shall he honour with gold, and silver, and with precious stones, and pleasant things.

Thus shall he do in the most strong holds with a strange god, whom he shall acknowledge and increase with glory: and he shall cause them to

rule over many, and shall divide the land for gain.” (Daniel 11:36-39)

It creates an uncomfortable feeling when you compare what Herzl wrote in the protocols with the passage from the prophet Daniel. It’s like I can feel the hot breath of Satan as he prepares to usher in his counterfeit messiah.

MY ENCOUNTER WITH THE PROTOCOLS

I was given an English copy of the Protocols around 1975. Like most people, I was shocked when I read them, but I wanted to verify they were not a clever forgery. My research took place before the advent of computers and the Internet. In 1976 I had an evangelist named Ben Hanegraaf from Holland pay us a visit in Sacramento. I asked if he could go to British Museum and verify that they indeed had a copy of the Protocols from 1905. Two years later Hanegraaf sent me a copy of a letter he obtained from the British Museum in which they verified the existence of the Protocols. This letter is included in this write up. There is one mistake in the letter from British Museum, it was misdated 1968 instead of 1978.

MY CONCLUSION

Whether the Protocols are true or a clever forgery, we know for sure they have been in existence for 113 years. In examining the history of the world since that time, all the protocols with the exception of the last have been fulfilled. If the Protocols truly are fabricated text purporting to describe a Jewish plan for global domination, how can you explain the fulfillment of its many ideas?

There were many predictions by Michel de Nostredame (Nostradamus) about future world events. Yet none of his 942 prophecies published in 1555 have proved nearly as accurate as the 24 Protocols from 1897. Did you know that his parents were Jewish, and like so many other Kabbalistic Jews, they converted to the Roman

² Goyim is a derogatory term for Gentiles or non-Jews in which we are referred to as cattle.

Catholic faith, but secretly maintained their Kabbalistic beliefs?

Satan inspired Theodore Herzl to write the Protocols and then had these plans carried out in the future. This does not require supernatural insight, just careful planning and implementation. My belief is that "The Protocols of the Elders of Zion" are genuine. After studying the writings of the Talmud and the Kabbalah, I find the same type of thinking as presented in the Protocols.

Here are some excerpts from protocols one through four. In my next thank you letter I will continue to expose more protocols. But what you will find here is enough for you to see what the Zionists said in 1897 and what they have accomplished so far.

Note that the British English in these documents is archaic, since it was written before 1920.

PROTOCOL 1

...what I am about to set forth, then, is our system from the two points of view, that of ourselves and that of the goyim [cattle]...

....It must be noted that men with bad instincts are more in number than the good, and therefore the best results in governing them are attained by violence and terrorization, and not by academic discussion...

...Political freedom is an idea, but not a fact...

I have documented how the mid-1800 revolutions were fueled by the Illuminati writers. Violence and terror were unleashed on a number of nations in Europe and it is obvious that Herzl incorporated this into his playbook. There have been a number of revolutions in the 20th century that were driven with violence and fear. This is how the Russian people were subdued by Lenin, Trotsky and Stalin

when they murdered more than 20 million Russians during the first 10 years of the revolution.³

...The political has nothing in common with the moral. The ruler who is governed by the moral is not a skilled politician and is therefore unstable on his throne. He who wishes to rule must have recourse both to cunning and to make-believe. Great national qualities, like frankness and honesty, are vices in politics, for they bring down rulers from their thrones more effectively and more certainly than the most powerful enemy. Such qualities must be the attributes of the kingdoms of the goyim, but we must in no wise be guided by them...

If we examine the political leaders of the United States during the last 100 years, it is evident that in order to succeed in politics, you cannot be an upright and honest Christian. Prime examples of sleazy politicians are Franklin Roosevelt, Dwight Eisenhower, John Kennedy, Lyndon Johnson, George H.W. Bush, Bill Clinton, George W. Bush, Barack Obama, etc. All these men were liars and had different vices such as drinking, corruption, freemasons, maintained mistresses, etc.

...Our right lies in force. The word "right" is an abstract thought and proved by nothing. The word means no more than:-Give me what I want in order that thereby I may have a proof that I am stronger than you...

...I find a new right - to attack by the right of the strong, and to scatter to the winds all existing forces of order and regulation, to reconstruct all institution and to become the sovereign lord of those who have left to us

*the rights of their power by laying them
down voluntarily in their liberalism...*

This has been part of the theme of the Democratic platform for years and we can see it playing out in front of our eyes.

*...Our power in the present tottering
condition of all forms of power will be more
invincible than any other, because it will
remain invisible until the moment when it
has gained such strength that no cunning
can any longer undermine it...*

*...the results justifies the means. Let us,
however, in our plans, direct our attention
not so much to what is good and moral as to
what is necessary and useful...*

Most American Jews are democrats and have been so for years. Hillary Clinton, Bernie Sanders, Chuck Schumer and others have showed the American people that nothing is sacred as long as it advances their plans.

*...Before us is a plan in which is laid down
strategically the line from which we cannot
deviate without running the risk of seeing
the labour of many centuries brought to
naught...*

The Kabbalistic leadership has been working on their plan since the time of King Solomon some 2,900 years. The Jewish Zionists don't care which president sits in the White House as long as they support the political State of Israel. In order to be elected to any political office, a candidate must be in good standing with the Jewish rabbinical system. All American political leaders traveling to Jerusalem ultimately end up at the Wailing Wall and wearing a skull cap.

*...only one trained from childhood for
independent rule can have the*

*understanding of the words that can be
made up of the political alphabet...*

*...It is only with a despotic ruler that plans
can be elaborated extensively and clearly
in such a way as to distribute the whole
properly among the several parts of the
machinery of the State: from this the
conclusion is inevitable that a satisfactory
form of government for any country is one
that concentrates in the hands of one
responsible person.*

*Without an absolute despotism there can be
no existence or civilization which is carried
on not by the masses but by their guide,
whosoever that person may be. The mob is
savage and displays its savagery at every
opportunity. The moment the mob seizes
freedom in its hands it quickly turns to
anarchy, which in itself is the highest
degree of savagery...*

The Zionists aren't holding back; they know that they can only rule the world through a dictatorship just like the Book of Revelation states.

*...Behold the alcoholised animals, bemused
with drink, the right to an immoderate use
of which comes along with freedom. It is not
for us and ours to walk that road. The
people of the goyim are bemused with
alcoholic liquors; their youth has grown
stupid on classicism and from early
immorality, into which has been inducted
by our special agents - by tutors, lackeys,
governesses in the houses of the wealthy,
by clerks and others, by our women in the
places of dissipation frequented by the
goyim. In the number of these last I count
also the so-call "society ladies," voluntary
followers of the others in corruption and
luxury...*

Herzl had heard of the cameras that were being developed but he would have had no idea how his plan would be accelerated by the movie industry, television, the pornography industry and finally the Internet which that provides access to every immoral cesspool. Sex, drugs, alcohol and rock-n-roll is the program the Zionists have for the people in the world.

...Our countersign is - Force and Make-believe. Only force conquers in political affairs, especially if it be concealed in the talents essential to statesmen. Violence must be the principle and cunning and make-believe the rule for government, which do not want to lay down their crowns at the feet of agents of some new power.

This evil is the one and only means to attain the end, the good. Therefore we must not stop at bribery, deceit and treachery when they should serve towards the attainment of our end. In politics one must know how to seize the property of others without hesitation if by it we secure submission and sovereignty...

...Our State, marching along the path of peaceful conquest, has the right to replace the horrors of war by less noticeable and more satisfactory sentences of death, necessary to maintain the terror which tends to produce blind submission...

...Therefore it is not so much by the means themselves, as by the doctrine of severity that we shall triumph and bring all government into subject to our super-government. It is enough for them to know we are too merciless for all disobedience to cease...

This principle was applied in 1789 during the French revolution, in Russia with the Bolshevik revolution in 1917, in the German revolution from 1918-1919; the takeover of the East European nations by the Soviet Union in 1945, the communist takeover of China 1949, the Cuban revolution in 1953, the removal of the Shah of Iran in 1979, the removal of Ferdinand Marcos in the Philippines in 1986, and the removal of Muammar Gaddafi in Libya in 2011.

The Zionist leadership doesn't have complete political control of the world yet and so they are forced to operate in different nations. It is easier for them to operate in the European Union since these nations are tied together as a power block; all other nations are targeted on an individual basis.

The Zionist leadership is currently supporting insurrections and small wars in Syria, Iraq, Yemen, and in a number of nations of Africa.

PROTOCOL 2

...It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains: war will thus be brought on to the economic ground, where the nations will not fail to perceive in the assistance we give the strength of our predominance, and this state of things will put both sides at the mercy of our international agentur (German word for agency); which possesses millions of eyes ever on the watch and unhampered by any limitations whatsoever...

World War I ended with little territorial change except that Germany lost all of its colonies. World War II ended much the same with little change in territory. All the participating nations were in debt to the international Jewish bankers.

...Do not suppose for a moment that these statements are empty words: think carefully of the successes we arranged for

Darwinism, Marxism, Nietzsche-ism. To us Jews, at any rate, it should be plain to see what a disintegrating importance these directives have had upon the minds of the goyim...

The educational system of every nation has been attacked by the Zionists. They have managed to establish the Darwin's evolutionary theory as an undisputed fact. Any teacher opposing evolution is terminated and shunned in academic circles.

Marxism became the doctrine of all communist nations. It poisoned the minds of Russians for some 70 years and 46 years for the people in the East European nations who were captured by the Soviet Union in 1945. The people who lived during this time had their lives stolen, and even if they were freed from communism, their minds were still in prison.

I have documented how public education in the United States was captured by the Zionists in the mid-1850's.⁴

...The part played the Press (media) is to keep pointing our requirements supposed to be indispensable, to give voice to the complaints of the people, to express and to create discontent. It is in the Press that the triumph of freedom of speech finds its incarnation. But the goyim States have not known how to make use of this force; and it has fallen into our hands. Through the Press we have gained the power to influence while remaining ourselves in the shade; thanks to the Press we have got the gold in our hands, notwithstanding that we have had to gather it out of the oceans of blood and tears.

But it has paid us, through we have sacrificed many of our people. Each victim on our side is worth in the sight of God a thousand goyim...

When the Protocols were written, the mainstream media only consisted of newspapers, books and pamphlets. Satan has transferred his intelligence and deception skills to the Zionist leadership, and from the beginning of the movie, radio, and television industries, it has been in the hands of people who are of Jewish descent. The same holds true for the so-called entertainment industry like Walt Disney, Dream Works and other production companies in Hollywood, including the pornographic industry in the San Fernando Valley in California.

The Zionists are always up-to-date on the latest technology. Microsoft is a giant in the computer industry; its founder is an American Jew named Bill Gates. Facebook was founded by the American Jew named Mark Zuckerberg. Dell Computers was founded by an American Jew named Michael Dell.

The wrath of the mainstream media in the United States is controlled by the Zionist leadership and they have unleashed their media attack dogs on Donald Trump from the first day he declared his intention to run for the presidency. The daily vitriolic attacks continue and this fake news inspires half the population.

Let us face it, the descendants of the Jewish Zionists of 1897 have not only been able to have captured the media, but to expand it into the juggernaut it is today.

PROTOCOL 3

...To-day I may tell you that our goal is now only a few steps off. There remains a small space to cross and the whole long path we have trodden is ready now to close its cycle of the Symbolic Snake, by which we symbolize our people. When this ring

⁴ "Kabbalah Book 8: Bitter Fruit," John S. Torell, EAEC Publications, 2017

*closes, all the States of Europe will be
locked in its coil as in a powerful vice...*

The Zionist leadership thought they had Europe under control in 1897, but it would take two world wars to crush Europe and lay the nations in such ruin that they were willing to surrender their sovereignty and merge into a European Union. In 2018 the European Union (EU) has 28 membership states. The British people revolted in 2016 and voted to leave the EU in a move that was known as "Brexit." It was a huge setback for the Zionists and they are now using their "heavy hitter," a Hungarian Jew named George Soros to pump millions of dollars into a campaign for revote over the issue.

...In order to incite seekers after power to a misuse of power we have set all forces in opposition onto to another, breaking up their liberal tendencies towards independence. To this end we have stirred up every form of enterprise, we have armed all parties, we have set up authority as a target for every ambition. Of States we have made gladiatorial arenas where a lot of confused issues contend...A little more, and disorders and bankruptcy will be universal...

...All these so-called "People's Rights" can exist only in idea, an idea which can never be realized in practical life...

Have you ever wondered why there is such heavy attack on personal freedom, the right to bear arms and the right to private Christian schools? Reading the aforementioned excerpts provides the answer. Non-Jewish (Gentile) people have no rights, and to make it worse, the Zionist leadership funnels money into organizations on both ends of the political spectrum.

...We appear on the scene as alleged saviours of the worker from this oppression when we propose to him to enter the ranks of our fighting forces - Socialists, Anarchists, Communists - to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our social masonry.

The aristocracy, which enjoyed by law the labor of the workers, was interested in seeing that the workers were well fed, healthy and strong. We are interested in just the opposite- in the diminution, the killing out of the GOYIM. Our power is in the chronic shortness of food and physical weakness of the worker because by all that this implies he is made the slave of our will, and he will not find in his own authorities either strength or energy to set against our will. Hunger creates the right of capital to rule the worker more surely that it was given to the aristocracy by the legal authority of kings...

Labor unions around the world are controlled by the Zionist leadership, and in the United States, they are controlled by organized crime to influence the local labor.

...By want and the envy and hatred which it engenders we shall move the mobs and with their hands we shall wipe out those who hinder us on our way...

...The word "freedom" brings out the communities of men to fight against every kind of force, against every kind of authority even against God and the laws of nature. For this reason we, when we come into our kingdom, shall have to erase this word from the lexicon of life as implying a principle of

*brute force which turns mobs into
bloodthirsty beasts...*

Freedom is a dirty word to the Zionist leadership. George Orwell's revolutionary book, "1984," was written in 1949 to describe a frightening society that is ruled by a dictatorship. He introduced the term "double speak," where words were changed to mean the opposite of the original meaning. In this futuristic novel, "Freedom is slavery," "Ignorance is strength" and "War is peace."

To the Zionist leadership, freedom is liberty for the Jewish people, but to the Goyim, freedom is slavery.

PROTOCOL 4

*...This is the reason why it is indispensable
for us to undermine all faith, to tear out of
the mind of the GOYIM the very principle of
Godhead and the spirit, and to put in its
place arithmetical calculations and material
needs...*

The Zionists have been very successful in this area. They are the instigators behind all the "newer and better" Bible translations in the English language. I remember there were many Christian publishing houses in the 1980's who catered to the millions of new Christians from the Jesus movement and the Charismatic revival. But one by one, they were bought by secular publishing houses which are owned and operated by Jewish people. Today there aren't many Christian publishing houses left and most Christian bookstores have shuttered their doors.

The Christian denominations in Europe are extremely liberal and become socialist driven help organizations. Salvation through Jesus is not preached and they have changed the gender of God to where he is now a woman. People have left the churches totally disillusioned.

In the United States, the old mainline denominations have embraced homosexuality, same sex marriage and abandoned any type of salvation message. These churches are like country clubs with a lot of social activity but void of Bible reading and prayer meetings.

During the revivals of the Jesus movement and the charismatic renewal, many of the old hymns were brought back with beautiful praise music composed by young people who had fallen in love with Jesus. Bill Gaither formed a trio that traveled throughout the United States and other nations. The music written by Bill and Gloria Gaither lifts the name of Jesus higher. There were many great music groups during the 20th century like the Oak Ridge Boys, The Happy Goodman's, Johnny Cash, The Cathedrals, The Imperials, The Blackwood Brothers and there are hundreds more. Let's not forget the beautiful music of Jimmy Swaggart who has sang more about heaven than anyone else.

This music was obviously hated by the Devil and his cronies in the Zionist leadership and they used their agents to introduce what became known as "contemporary worship music," where the churches copied secular music with strobe lights, smoke and such a high noise level that the lyrics are difficult to comprehend.

*...In order to give the goyim no time to
think and take note, their minds must be
diverted towards industry and trade. Thus
all the nations will be swallowed up in the
pursuit of gain and in the race for it will not
take note of their common foe...*

Greed is the name of the game in the world. It began immediately after World War II was over in 1945 and the Great Depression became a bad memory. Americans craved bigger houses, more cars and exotic vacations to satisfy their desire for more. Credit cards came into being, and instead of saving up for something, it was possible to charge

it to a credit card and pay later. Today most people are deeply in debt and this forces them to work more in order to maintain their lifestyle.

...But again in order that freedom may once for all disintegrate and ruin the communities of the goyim, we must put industry on a speculative basis: the result of this will be that what is withdrawn from the land by industry will slip through their hands and pass into speculation, that is, to our classes...

Stock markets are a form of casino where billions of dollars are gambled every day. This includes commodity markets where grain, cattle, oil, and coal are bought and sold on a daily basis. Investors speculate on future harvests of things like wheat and a derivative is sold under the assumption that a particular farm will produce a certain number of bushels of grain in the fall. The derivative buyer in turn sells it to a bank at a lower price and gets his money right away. The bank takes the loss if the harvest fails to produce the minimum amount. Even Communist China was enticed to open a stock market and the Chinese people learned a hard lesson a few years ago when it plunged and they lost all their investments.

Wealthy Jewish investors like George Soros can buy up millions of stocks and artificially inflate the stock market. When the market is soaring and people are investing, Soros will sell stocks to make it tumble. He will continue to sell more and more in order to force the market down. People who do not understand the Zionist world government will panic and sell their stocks at a loss and lose their savings. Once the market hits a certain level, Soros will use his insiders to begin buying stocks at bargain prices. This process has been repeated many times.

The Zionists living in 1897 learned from Lucifer how to do such things but people today have no

inkling what is happening and blindly believe what the Zionist controlled media tells them.

...The intensified struggle for superiority and shocks delivered to economic life will create, nay, have already created disenchanted, cold and heartless communities. Such communities will foster a strong aversion towards the higher political and towards religion. Their only guide is gain, that is Gold, which they will erect into a veritable cult, for the sake of those material delights which it can give. Then will the hour strike when, not for the sake of attaining the good, not even to win wealth, but solely out of hatred towards the privileged, the lower classes of the goyim will follow our lead against our rivals for power, the intellectuals of the goyim...

The people in the European nations are cold and heartless. Americans have not experienced just how callous they are. In the United States, people living on the east and west coasts have little sympathy for those who are less fortunate, while those in the south and the in the mid-west are friendlier and more kind. The hunger for gold makes people cold.

The huge demonstrations after the election of Donald Trump is an indication that the lower classes of “goyim” are being manipulated to rise and spew out hate.

SUMMARY

When you examine the first four protocols, you will realize that what was written 113 years ago has now become reality. Donald Trump and his voter base is a lethal threat to the Zionists. Instead of sinking further into the hands of the Zionists and their destructive agenda, President Trump is leading America in the opposite direction.

When Herzl set forth his program in 1897, the media consisted of newspapers, pamphlets and books. Now with television, radio and newspapers, the Zionist world government has a super weapon at its disposal. Ever since Donald Trump announced his intention to run for the presidency, they have targeted him daily and even created fake news. Every negative thing that can be found has been processed through the mainstream media.

So far the smear campaign has not worked in part because of people like me who decided we wanted a change and saw through all the hype for what it was. The democrats got so desperate when they realized that Hillary might not win that they contacted a British ex-spy named Christopher Steele and paid him to contact Russians, dig up dirt on Trump, create a fake report, which was then used by the FBI to spy on the Trump campaign.

Once the election was over, the drumbeat for an investigation of Russian collusion by the Trump campaign began. The democrats took a page straight from Herzl's playbook and through lies and deception accused the Trump campaign having contacted the Russians for help, when in reality, it was the Clinton campaign that sought help from foreign sources, including Steele, who is a British citizen.

Porn stars have been dusted off and put in the limelight, insinuating that Donald Trump had sexual encounters with them, all while Melania gave birth to Barron. There is no depth to which the Zionist leadership won't go in their effort to remove President Trump.

In February 2018, when every previous effort had failed, the Zionist's brought out the "nuclear option" to crash the stock market. It worked for Baron Rothschild in 1815 when he crashed the stock market in London, and it worked during the 1929 New York stock market crash.

In order to bring the United States and the rest of the world its knees in 1929, the Zionist world government went one step beyond crashing the stock market and ordered all International Jewish bankers to start calling in loans before they were due. This forced the small banks in the United States to call in their loans in order to repay the Jewish bankers. In just a short time, the U.S. economy crashed, followed by a worldwide depression that lasted until the outbreak of World War II.

Factories and retail stores were forced to close since there was no money. I want you to understand nothing had changed overnight. There was still oil in the ground, you could still find iron, silver and gold in the mines, the cattle on the farms had not gone anywhere, and all the workers, farmers and store clerks were still around. The only thing missing was cash.

Toying with the stock market in 2018 is causing huge losses for people with 401K plans, and that hurts President Trump's voting base. But even if the Zionists manage to bring the market down to 0, it won't change the U.S. economy since cash is available through bank loans and business dealings.

The American people are smarter today than in 1929 and large numbers have access to the Internet with its alternatives compared to the fake news being propagated by the mainstream media. The only way for the Zionists to break the Trump presidency would be to cause a run on the banks and force them into bankruptcy. They also have the option to use their international banks to attack the U.S. dollars with players like George Soros and others. China and Russia holds billions of dollars in their banks and they will fight to stop a run on the dollar since it would mean catastrophic losses for them. The stakes are high all around.

When a person reads the Protocols and compares it with Revelation chapter 13, it is obvious that the time Jesus predicted some 1,900 years ago is about to be fulfilled.

What can we do as Christians? First, we need to repent and make sure we are not harboring any unforgiveness. Call on the Lord that He will have mercy on us and destroy the works of the Zionist's.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. Now mine eyes shall be open, and mine ears attent unto the prayer that is made in this place." (2 Chronicles 7:14-15)

You and I are the key to victory! Do you want victory or defeat?

Dear Sir,

Thank you for your letter received on 23rd September.

The Museum possesses the Nilus version of The Protocols of the Elders of Zion, published in Russian in 1905 and also various editions and translations. As regards the authenticity of this work, I would suggest you consult the following books where you will find a detailed discussion on the Protocols
CURTISS (John S.) An Appraisal of the Protocols of Zion. Columbia University Press: New York, 1942.

COHN (Norman) Warrant for Genocide. The Myth of the Jewish world-conspiracy and the Protocols of the Elders of Zion. Eyre & Spottiswoode: London, 1967. If your local public library does not possess copies of these works, you could ask the librarian to try to obtain them for you through the inter-library lending scheme.

Our copy of the Nilus 1905 version is not on exhibition at present but can be seen by readers on demand; its shelfmark is C. 37.e.31.

Yours faithfully,

May Jane Miller
